ESCC: Scrap Eastbourne Parking Fee hike

I/We the undersigned demand East Sussex County Council scrap their proposals to double parking charges and to increase residents' parking permits by a full 300%.

Eastbourne residents opposed the fees when East Sussex County Council first introduced them over ten years ago. Increasing the charges now by such a substantial amount, without any mandate, shows that the Conservative controlled County Council is playing with the livelihoods of so many businesses and residents across our town.
